■ Kaituna  
■ Waioeka-Otara  
■ Rangitāiki  
■ Waitahanui

# Participate - Environmental Outcomes

## Have your say

We want to hear your views on freshwater values, their current state and whether we should maintain or improve these, along with some early thoughts on long term visions/goals/environmental outcomes.

*To do this click on the **water drop** on the freshwater management area that you relate to (feel free to complete the survey for as many FMU's as you feel passionate about).*
